

# 46th Annual Report **2025-26**

## **BANARAS BEADS LIMITED**

AN EXPORT HOUSE RECOGNISED BY GOVERNMENT OF INDIA  
AN ISO CERTIFIED COMPANY

## From Chairman

Dear Shareholders,

It gives me great pleasure to address you and present the performance of your Company for the financial year 2025–2026.

You are aware that during the F.Y. 2025-26, the global business environment remained challenging, particularly for export-oriented industries. Your Company, engaged in the manufacture and export of glass beads, handicrafts, and related products, was impacted by the increase in import tariffs imposed by the United States, one of our principal export markets. Due to uncertainty tariff policies US based buyers have hold orders, resulting in a temporary slowdown in order execution. Consequently, both turnover and profitability of the Company witnessed a decline during the F.Y. 2025-26.

I am pleased to inform you further that subsequent to the resolution of certain tariff-related issues by the U.S. Government, buyers have reconfirmed their orders, and execution of these export orders has commenced. The Company therefore expects a significant improvement in both turnover and profitability in the coming periods.

Your Company continues to strengthen its presence in international markets through active participation in global trade fairs, regular interactions with buyers, both in person and through digital platforms, and continuous product innovation supported by the development of new designs and samples. These efforts have enabled us to maintain long-standing customer relationships and explore new business opportunities across various geographies.

While exports remain a key focus area, the Company is also expanding its presence in the domestic market and retail segment under the brand name "de-Lemon" through retail counters, stores, and various online sales platforms.

The financial position of the Company remains sound. Supported by adequate liquidity and prudent financial management, we do not foresee any difficulty in meeting our debt obligations and other financial commitments. The Company's balance sheet continues to provide a strong foundation for future growth and expansion.

PIONEER OF GLASS BEADS AND FOUNDER OF ORGANIZATION  
Late Kanhaiya Lal Gupta Ji  
(1925-1992)

During the year, the Company's equity shares were traded on both BSE and NSE within a range of Rs. 96.80 to Rs. 171.90 per share, compared with a book value of approximately Rs. 87.38 per share. We remain committed to enhancing shareholder value through sustainable business growth, operational excellence, and disciplined capital allocation.

As previously reported, the matter concerning the acquisition of 2,509 hectares of the Company's land by the Varanasi Development Authority and the Government of Uttar Pradesh continues to be sub judice before the Hon'ble High Court of Allahabad. Consequently, certain expansion initiatives relating to logistics parks and warehousing facilities remain deferred pending final adjudication.

Notwithstanding this, the Company has strategically purchased an additional 1,680 square metres of land adjoining the affected property. This purchase strengthens our long-term infrastructure position and will support future development plans as and when circumstances permit.

I would like to express my sincere gratitude to my fellow Directors for their guidance and support, Auditors and to our customers, suppliers, bankers, artisans, employees, business associates, and all other stakeholders whose continued cooperation has contributed to the Company's resilience and progress.

Above all, I extend my heartfelt thanks to our shareholders for their unwavering trust, confidence, and support. We remain committed to creating sustainable value and pursuing growth opportunities with determination, prudence, and integrity.

I look forward to your continued support in the years ahead.

1.	Filing of Form MGT-15 under Section 121 of the Companies Act, 2013 (Report on AGM)	The Company was unable to file Form MGT-15 for FY 2024-25 within the prescribed time owing to persistent technical issues encountered on the MCA portal.	During the course of filing, the MCA system generated repeated errors indicating that the Company Secretary's membership number was not a valid PAN and was not associated with the CIN under the selected designation. The Company raised multiple tickets with the MCA helpdesk, pursued follow-ups, and submitted a formal representation to the Registrar of Companies. Despite these efforts, the technical issue remained unresolved, thereby preventing completion of the filing. It is noted that the delay arose solely due to portal-related technical constraints, and not from any lapse on the part of the Company, which had acted diligently and in good faith to comply. Efforts are continuing to resolve the technical issue and complete the filing at the earliest opportunity.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statement.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Management’s Responsibility for the Standalone Financial Statements**

The Company’s Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the State of Affairs, Profit/Loss and other comprehensive income, changes in equity and cash flow of the Company in accordance with the Accounting Principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting record in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the stand-alone financial statements, management and board of directors are responsible for assessing the company’s ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the company’s financial reporting process.

**Auditor’s Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of Standalone financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the company's annual report, but does not include the standalone financial statements and our auditor's report thereon. The company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant rules and regulations. We have nothing to report in this regard.
