corresponding period of the previous year.

➤ Commenting on the results and performance, Mr. Ashok Kumar Gupta, Chairman & Managing Director said:

“The Company has delivered a better performance for the year, despite the sharp slow down in 3rd Q3. The Company achieved a 7.37% growth, due to continues support by US based big Customer (Chain Store) and due to quality and punctuality in execution of orders by the company.

However during the year profit decreased by 12.91% mainly due to decreased in other income.

The company expect that its turnover and profitability both will be increased incoming periods.

The Company is not expecting any problem in its ability to service debts and other financial arrangement, keeping in view good liquidity position.
